

DEPARTMENT OF CIVIL ENGINEERING

- An event titled **“PICK & SPEAK”** was conducted for the **II Year – III Semester Civil Engineering students** on the topic **“Construction Materials”** on **31/07/2026**.

The event was organized to enhance students' knowledge of various construction materials and to develop their **communication skills, technical understanding, confidence, and presentation abilities**. Students actively participated by picking topics related to construction materials and speaking about them before the audience.

The activity provided students with an opportunity to demonstrate their subject knowledge and improve their ability to explain technical concepts clearly and effectively.
