

Faculty Participation in National Workshop : Advancing Knowledge in Graph Theory

The **Department of Humanities and Sciences** is pleased to congratulate **Dr. G. Ramya**, Associate Professor of Mathematics, on her successful participation in the **National Workshop on "Advanced Graph Theory"**, organized by the **School of Advanced Sciences (SAS), Vellore Institute of Technology (VIT), Chennai**, on **22 June 2026**. The workshop provided an excellent platform for academicians to strengthen their understanding of advanced concepts in graph theory and explore their applications in contemporary mathematical research.

The programme brought together researchers, faculty members, and subject experts to discuss recent developments, emerging research directions, and innovative methodologies in graph theory. Through expert sessions and academic interactions, participants gained valuable insights into advanced mathematical techniques, analytical approaches, and their interdisciplinary applications across science and engineering.

Participation in such professional development programmes reflects our department's commitment to continuous learning, academic excellence, and research advancement. Workshops of this nature enable faculty members to enhance their subject expertise, strengthen research capabilities, and foster collaboration with scholars from leading institutions. The knowledge acquired through this workshop will further enrich teaching practices and inspire innovative research within the department.

The Management, Principal, faculty members, staff, and students extend their heartfelt congratulations to **Dr. G. Ramya** on this noteworthy achievement. We wish her continued success in her academic and research pursuits and look forward to her continued contributions toward excellence in teaching, research, and innovation.

Certificate of Participation

This is to certify that Dr./Prof./Mr./Ms. Dr.G.Ramya from PVKK INSTITUTE OF TECHNOLOGY,ANANTAPUR has participated in the **National Workshop** titled "**Advanced Graph Theory**" organized by SAS on 22/06/2026 at Vellore Institute of Technology,Chennai.
