

One-Day Workshop on Innovative Pedagogical Practices : Enhancing Teaching Excellence for Outcome-Based Education

The **Department of Humanities and Sciences** successfully organized a **One-Day Workshop on "Innovative Pedagogical Practices for Outcome-Based Education"** on **06 July 2026** at the **Seminar Hall, Gandhi Bhavan**, PVKK Institute of Technology (Autonomous). The workshop was conducted with the objective of equipping faculty members with innovative teaching strategies aligned with the principles of Outcome-Based Education (OBE), thereby promoting effective student-centered learning.

The programme featured **Dr. P. Deepthi Jordhana, Vice Principal, PVKK Institute of Technology**, as the invited speaker. During the interactive session, she emphasized the significance of adopting innovative pedagogical practices, active learning methodologies, and effective assessment techniques to achieve desired learning outcomes. The workshop also highlighted the importance of aligning course outcomes with programme outcomes while fostering critical thinking, creativity, collaboration, and problem-solving skills among students.

The session provided faculty members with valuable insights into contemporary teaching approaches, classroom engagement strategies, and best practices in implementing Outcome-Based Education. Participants actively engaged in discussions on experiential learning, technology-enabled instruction, and continuous improvement practices that contribute to enhancing the quality of higher education.

The workshop reflects the institution's continued commitment to academic excellence, faculty development, and quality enhancement in teaching and learning. Such initiatives play a vital role in empowering educators with innovative instructional practices while strengthening the institution's vision of delivering outcome-oriented and industry-relevant education.

The Management, Principal, faculty members, and staff extend their sincere gratitude to **Dr. P. Deepthi Jordhana** for sharing her expertise and inspiring the participants. The Department of Humanities and Sciences appreciates the enthusiastic participation of all faculty members and looks forward to organizing many more academic enrichment programmes in the future.
