

Faculty Development Programme on "Research Writing in LaTeX." On January 10th, 2025, an insightful Faculty Development Programme titled "Research Writing on LaTeX" was conducted by the Faculty Development Cell of our institution. The session, which took place online from 1:00 pm to 2:00 pm, was led by Dr. Ramya from the Humanities and Sciences Department. The programme was organized under the able leadership of Dr. Deepthi Jordhana, the Vice Principal and Convener of the Faculty Development Cell. The focus of the session was on the importance and benefits of LaTeX in academic research writing. LaTeX, a typesetting system widely used for producing professional and polished documents, is known for its efficiency in managing complex formatting, especially for research papers. Dr. Ramya demonstrated how LaTeX can automatically handle references and citations, making it an invaluable tool for researchers and academic writers.
